

FRANZ VIEGENER

2026 - CATALOGUE

2026

CATALOGUE

FRANZ VIEGENER

1899

THE
ORIGIN

.....

Franz Viegner founded his first company in Attendorn, Germany, manufacturing brass beer taps for home use.

1921

A NEW
CONTINENT

.....

Franz Viegner Jr. traveled to Buenos Aires and established FV, a pioneer in faucet manufacturing in Argentina.

1975

INDUSTRY
AND SCALE

.....

Opening of the industrial plant in Villa Rosa, Pilar: 80,000 m² dedicated to design and production.

1977

REGIONAL EXPANSION

FV expanded its presence in Latin America with a new industrial plant in Quito, Ecuador.

1992

NORTH AMERICA

FV entered the North American market and founded FV America, headquartered in Chicago.

2008

A NAME OF ITS OWN

Franz Viegner, the group's luxury brand, was launched in the United States — dedicated to design, art, and precision.

Today

LOOKING TO THE FUTURE

Franz Viegner continues to renew itself, maintaining its identity as a luxury brand that blends german precision, argentine craftsmanship, and timeless design for a global audience.

COMPLIANCE

WATER
EFFICIENCY

Our products that have Water Sense compliance are using water more efficiently so it will conserve supplies for future generations.

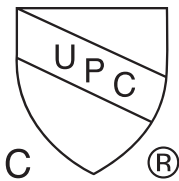

The WaterSense program offers consumers a simple way to make product choices that use less water, with no sacrifice to quality or product performance.

NATIONAL
STANDARDS

Our products complies with the Canadian Uniform Plumbing Code (cUPC) certification. This are the designated American and Canadian national standards, respectively. They design these codes to provide consumers with safe and sanitary plumbing systems. Commercial construction projects, as well as many residential construction projects, normally require specified products to be certified. Products with the cUPC mark are in compliance with applicable American and Canadian codes and standards.

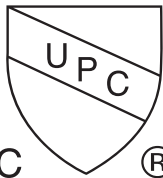

LEAD FREE
NSF / ANSI 61

LEADFREE
PRODUCTS

Our LeadFree products will use not more than a weighted average of 0.25% lead when used with respect to the wetted surfaces of a pipe, pipe fitting, plumbing fitting, and fixture. The rule also requires not more than 0.2% lead when used with respect to solder and flux. Section 3.5 of NSF/ANSI 61 precludes the use of lead as an intentional additive in wetted materials and components of products, with the exception of brass and bronze meeting the definition of "lead free".

LEAD FREE

NSF/ANSI/CAN61:Q≤1

CERTIFIED
LEAD FREE

This new certification mark guarantees that the product complies with the most stringent lead-free and drinking water safety requirements. The Q ≤ 1 standard indicates the lowest level of lead leaching allowed, ensuring maximum safety for potable water applications.

State and Local codes may vary, so please verify the requirements in your area and have a registered, licensed plumbing contractor perform all installations.

FRANZ VIEGENER LIFETIME LIMITED WARRANTY

Franz Viegenger, striving to produce the very best, high quality product offers consumers a lifetime limited warranty on our Franz Viegenger branded products. This warranty is limited to products manufactured by us and branded as Franz Viegenger that were purchased from a Franz Viegenger Authorized Dealer by a consumer in North America after August 1, 2021, and installed according to the installation instructions, subject to the below terms.

WARRANTY

Franz Viegenger warrants to the original consumer purchaser the products to be free from defects in material and workmanship for as long as the original consumer purchaser owns both the product and the home in which the product was originally installed, except that powder coated paint finishes are limited to three (3) years from the date of [purchase]. For commercial purchasers the warranty period applicable to all covered products is three (3) years from the date of purchase. Any applicable implied warranties that cannot be disclaimed are limited to the same duration as the express warranty herein. This warranty is non-transferable.

FRANZ VIEGENER'S RESPONSE

Franz Viegenger, at its option, will replace any product or part of any product that proves to be defective in material and/or workmanship, under normal installations, use, service, and maintenance. If Franz Viegenger is unable to provide a replacement product or part and repair is not practical or cannot be made in a timely fashion, Franz Viegenger may elect to refund the purchase price in exchange for the return of the defective product.

REPAIR OR REPLACEMENT (OR, IN LIMITED CIRCUMSTANCES, REFUND OF THE PURCHASE PRICE) AS PROVIDED UNDER THIS LIMITED WARRANTY IS THE EXCLUSIVE REMEDY OF THE PURCHASER.

WHAT IS NOT COVERED BY THE WARRANTY

The following items are not covered by the terms of this warranty:

- All finishes on drain assemblies.
- Any wood, leather, and other non-metallic components.
- Unlacquered brass and other living finishes.
- Unless prohibited by law, Franz Viegenger products purchased from unauthorized sources. The complexity and control of the open markets with regards to resellers, e-commerce and online trading of secondhand goods force Franz Viegenger to only offer this warranty for products purchased from Franz Viegenger Authorized Dealers as listed on the Franz Viegenger website, www.franzviegener.com.
- Labor and other expenses for disconnection, deinstallation, or return of the product for warranty service, as well as packaging and shipping, or for installation or reinstallation of the product.
- Accessories, connected products and materials, or related products not manufactured by Franz Viegenger.
- Any Franz Viegenger products sold for display purposes.

Franz Viegenger shall not be liable for any damage to the product resulting from reasonable wear and tear, outdoor use, misuse including use of the product for unintentional applications, freezing, excessive water pressure, pipe corrosion and extreme hard water in the home in which its installed, abuse, neglect, improper installation or installations inconsistent with Franz Viegenger's instructions, maintenance or repair, including the use of abrasive or caustic cleaning agents, ammonia and no-rinse cleaning products.

Necessary maintenance or repairs on Franz Viegenger products can be performed by any company. However, damage caused to products by you or any non-authorized third party may void this warranty.

This is Franz Viegenger's exclusive warranty. TO THE EXTENT ALLOWED BY LAW, FRANZ VIEGENER PROVIDES THIS WARRANTY IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED. FRANZ VIEGENER DISCLAIMS ALL LIABILITY FOR SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES.

Some states/provinces do not allow limitations of how long an implied warranty lasts or the exclusion or limitation of such damages, so these limitations and exclusions may not apply to you. This warranty gives the consumer specific legal rights. You may also have other rights that vary from state/province to state/province.

To Submit a Warranty Claim
Contact Franz Viegenger at: info@franzviegener.com
Phone 847-244-3837
www.franzviegener.com/contact

Please provide a copy of the receipt from the Authorized Dealer including the purchase date. The model number of the product or part being claimed. A description of the problem.

JOSEF MOSKOVIC

LEAD DESIGNER,
FRANZ VIEGENER

With more than 35 years of experience in the plumbing industry and a minor education in art, Josef Moskovic strategically applies elements of design and technology in the creation of faucet styles that defy industry norms. He likens himself a *"product developer with design intuition"*, and he's been working with the team at Franz Viegner for more than 10 years; turning his napkin and notebook sketches into award-winning designs. His strength is his ability to push both the mechanical and design aspects of the Franz Viegner collections.

The division in Buenos Aires he heads prides itself on its hand-craftsmanship, rather than mass production. Being 5,600 miles away from the Franz Viegner factory is sometimes a challenge, and there are some of cultural and social differences, yet nothing has impeded Josef's ability to design what he has wanted.

Josef's passion about his work is summed up best in this way; when asked which collection is his favorite – he replied, *"That's like asking a parent which of their children is their favorite!"*

GERMÁN DEL CAMPO

DESIGNER

Leonardo Solferino, Germán Del Campo and María Laura Rubira are the creative minds working alongside Josef Moskovic. With their passion for innovation and meticulous attention to detail, they bring a unique

MARÍA LAURA RUBIRA

DESIGNER

blend of artistry and functionality to each collection. Together, they embody Franz Viegener's commitment to craftsmanship and excellence, ensuring that every faucet is a masterpiece of design and engineering.

LEONARDO SOLFERINO

DESIGNER

Their collaborative efforts result in faucets that not only enhance the aesthetic of any space but also elevate the user experience to new heights.

CHRISTIAN MOHADED

ARTIST & DESIGNER

Christian Mohaded, an argentinian artist and designer. A graduate of the National University of Córdoba, he currently divides his time between Buenos Aires and Milan. Throughout his career, Mohaded has collaborated closely with artisans from Argentina, delving into traditional crafts and local culture. This exploration has led him to blur the boundaries between design and art.

EXQUISITE FINISHES

Ultimate Pro Bond offer each Franz Viegenger collection exceptional robustness/strength and resistance to wear and corrosion, while maintaining their shine and appearance in every color. These finishes are the result of a physical vapor deposition (PVD) process.

POLISHED CHROME

CHROME
PC

POLISHED FINISHES

NICKEL
PN

Immerse your space in timeless sophistication with our polished finishes. Their mirror-like surfaces capture the essence of classic elegance, casting a brilliant gleam that transcends trends.

BRASS

SATIN FINISHES

The satin finish on our products offers a refined tactile experience and a subtle, lustrous sheen.

SATIN GREYSTONE
SGR

SATIN BLACK
BK

WHAT IS PVD?

Franz Viegenger's collection finishes offer exceptional robustness, strength and resistance to wear and corrosion, while maintaining their shine and appearance in every color. These finishes are the result of a physical vapor deposition (PVD) process. A pollution-free and environmentally friendly technique. This process, that inputs metallic steam into a vacuum in airtight machines, coats each corner of the pieces, achieving unique colors that last for generations.

POWDER COAT

FLAT BLACK
FB

Explore the modern allure of powder coat finishes, where bold hues meet durability, creating a vivid statement in your bathroom.

UNLACQUERED POLISHED BRASS*

NAKED BRASS
UPB

a testament to timeless elegance and natural beauty, evolves gracefully over time, developing a unique patina that tells the story of its journey in your home. Embrace the allure of authenticity with our living finish, a true expression of individuality and sophistication.

*Unlacquered Polished Brass is a living finish, intended to transform with age and use. Yet it may also be restored to their near-original state if desired. It will become richer and more golden in color with exposure to air and touch. It will lose some of its mirror reflective polish and develop a patina that is equally appealing. However, to restore the polished look, simply use a tarnish remover (we recommend the brand Flitz) and a microfiber cloth.

WAFFER shower heads made of stainless steel. | PS polished stainless (works with polished chrome and polished nickel). | BS brushed stainless (works with brushed nickel).

KNURLING | K *

AVAILABLE HANDLES

Explore the intricate tactility of Knurling, a testament to meticulous craftsmanship. Please note that the Finish Flat Black is not available for the Knurling texture.

DIAMOND | D *

AVAILABLE HANDLES

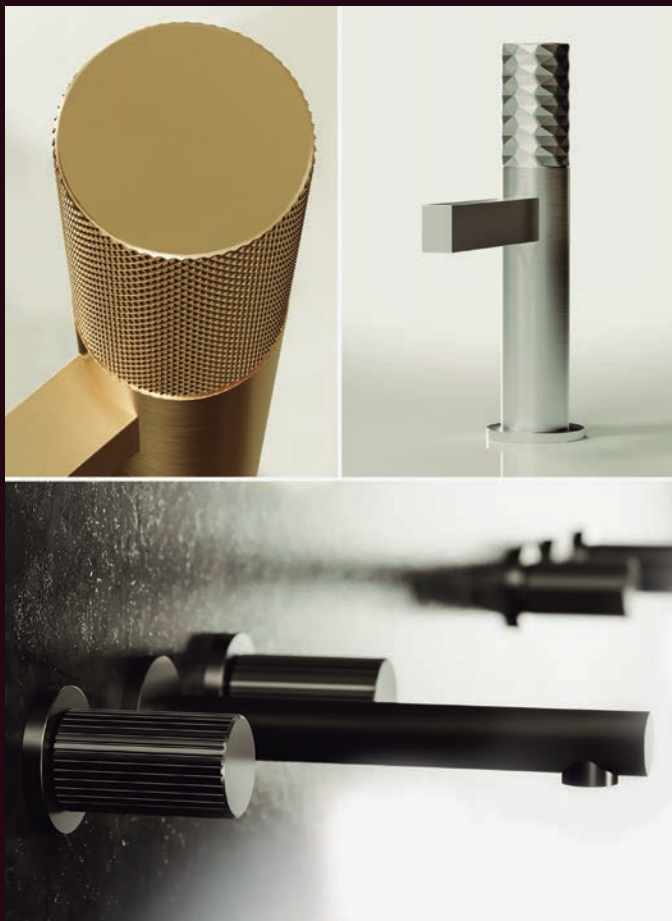

The diamond pattern masterfully merges polished brilliance with satin subtlety, creating a dynamic visual harmony. The interplay of polished and satin facets not only adds sophistication but also ensures a versatile aesthetic.

VERTICAL | V *

Elevate your space with the refined grace of Vertical Lines. A symphony of sleekness, these textures draw the eye upward, creating a sense of timeless sophistication.

* Only available in Lollipop and Nerea collections. | ** Please note that these textures are available in specific handles for specific collections.

WHAT'S NEW
AT FRANZ VIEGENER

Innovation and design continue to shape our path forward. We're proud to present the latest additions to our portfolio — new collections, exclusive finishes,

expanded valves, and showers — all crafted to elevate the experience of design, art, and precision.

NEW FINISHES

Polished Black (PK) — pure, mirror-like black, (available exclusively for the Zephyr Collection).

Brushed Honey Bronze (BHB) — a warm, sophisticated finish that combines subtle radiance with timeless character.

NEW SHOWER VALVE

1 Outlet Thermostatic Valve: now incorporated into every collection.

NEW SHOWERS HEADS

An expanded selection of showers to complete the experience.

DISCONTINUATION
OF COLLECTIONS

Franz Viegenger is continuously evolving to deliver design excellence and innovation. As part of this process, we are refining our portfolio, and the following items will be discontinued as of January 2026:

SPECIAL
FEATURES

STEPS TO ORDER

To request products that are available in different finishes, simply utilize the corresponding coding of the piece and append a suffix corresponding to the chosen texture.

Example:

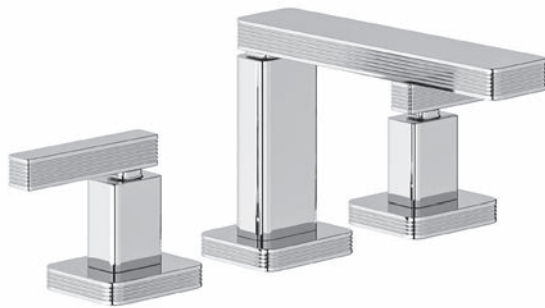

line code

FV201 / F7 - SGR

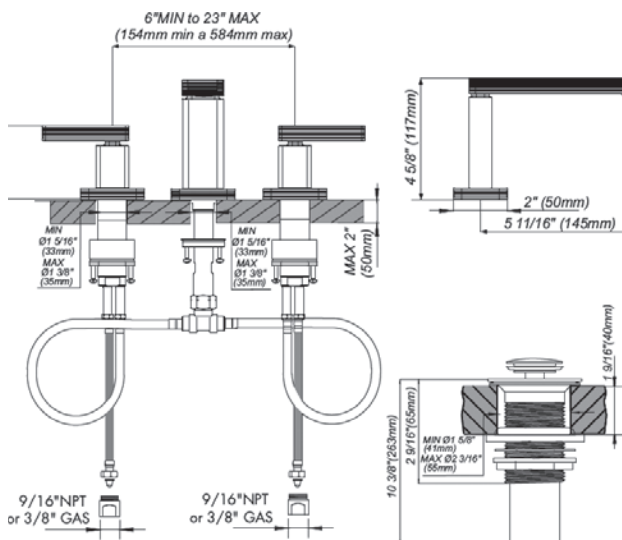

product code finish code

FV207/F7

Widespread Lavatory Faucet

- Widespread lavatory faucet supplied with overflow (Drain model: FV248.02).
- Drain model FV248.03 is available for reduced overflow.
- All Brass Construction
- Our filter screens prevent sediment build-up, protecting the faucet's performance and finish.
- Flow Rate: 1.2 gpm maximum
- Swivel Aerator
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

Start with the base code FV207/F7 for the Zephyr collection.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV207/F7-BN.

Refer to the table for all available finish options, codes, and details.

FV203/F7.0

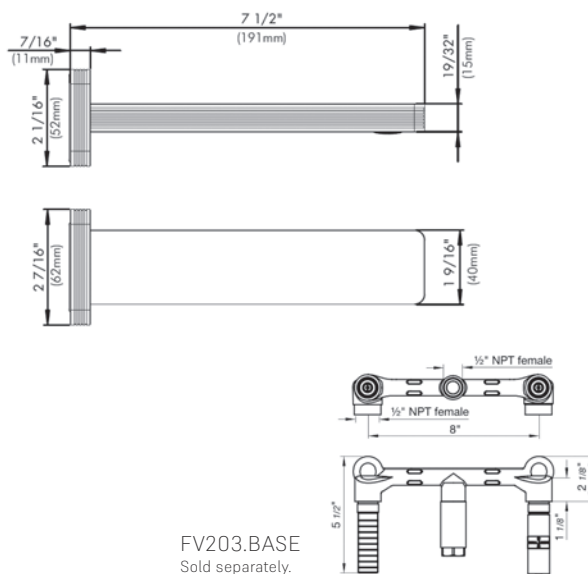

Wall-mounted lavatory faucet

FV203.BASE
Sold separately.

- Wall-mounted lavatory faucet, less drain assembly, trim only
- All Brass Construction
- Quarter-turn ceramic cartridges
- Stationary spout with recessed aerator

REQUIRED (NOT INCLUDED - sold separately):

- FV203.BASE - Rough valve for wall lavatory, 1/2" Fem NPT connection.

FV203.BASE
Sold separately.

HOW TO COMPOSE YOUR CODE

Start with the base code FV203/F7.0 for the Zephyr collection.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV203/F7.0-BN.

Refer to the table for all available finish options, codes, and details.

FV133/F7.0

Deck mounted roman tub handshower assembly

- Deck mounted Roman diverter valve and handshower assembly.
- All Brass Construction.
- Includes Brass diverter valve.
- 3/4" inlet NPT connection.
- Quarter-turn diverter.

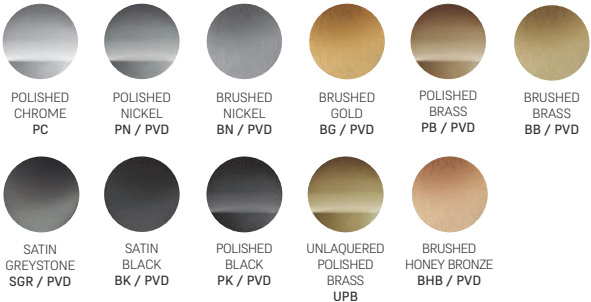

HOW TO COMPOSE YOUR CODE

Start with the base code FV133/F7.0 for the Zephyr collection.
Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.
For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV133/F7.0-BN.

Refer to the table for all available finish options, codes, and details.

EXPLORE OUR SEVEN COLLECTION

SPECIAL
FEATURES

Precision in 7mm. Sleek, sophisticated, and defined by its ultra-thin **7mm** spout.

STEPS TO ORDER

To request products that are available in different finishes, simply utilize the corresponding coding of the piece and append a suffix corresponding to the chosen texture.

Example:

line code

FV201 / K1 - SGR

product code finish code

FV181/K1

Single handle lavatory faucet

- Single handle faucet supplied with overflow (Drain model: FV248.02)
- Drain model FV248.03 is available for reduced overflow.
- Flow Rate: 1.20 gpm @ 60PSI
- Stationary spout with recessed aerator device.
- Flexible SS connectors with sediment screens.
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

Start with the base code FV181/K1 for the Seven collection.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV181/K1-BN.

Refer to the table for all available finish options, codes, and details.

EXPLORE OUR GROOVY COLLECTION

SPECIAL
FEATURES

Rhythm, texture and bold personality.

STEPS TO ORDER

To request products that are available in different finishes, simply utilize the corresponding coding of the piece and append a suffix corresponding to the chosen texture.

Example:

line code

product code

finish code

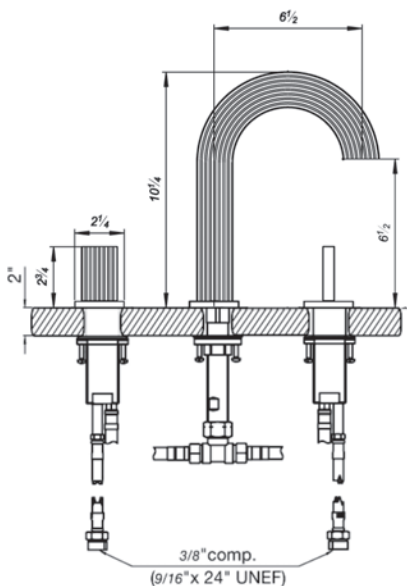

FV201 / F4 - SGR

FV207/F4

Widespread Lavatory Faucet

- Widespread lavatory faucet supplied with overflow (Drain model: FV248.02).
- Drain model FV248.03 is available for reduced overflow.
- All Brass Construction
- Handles come preassembled on valves for ease of installation
- Flexible stainless steel supply line with sediment screens.
- Our filter screens prevent fouling of the cartridge
- Flow Rate: 1.2 gpm maximum
- Recessed aerators
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

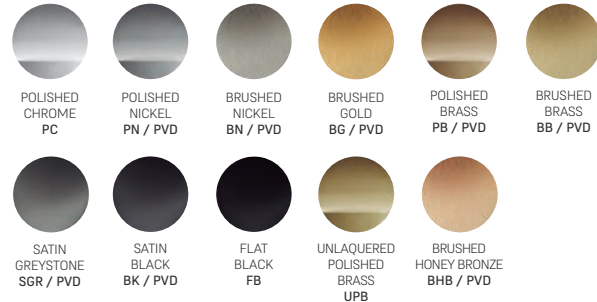

Start with the base code FV207/F4 for the Groovy collection.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV207/F4-BN.

Refer to the table for all available finish options, codes, and details.

MODELS WITH OVERFLOW

FV201 and FV182 come with overflow included.
Supplied with lift rod drain pop-up assemblies.

OPTION TO CHANGE TO LESS OVERFLOW IF REQUIRED

FV207 and FV181 come with overflow included (model FV248.02). If less overflow is required, you may request FV248.03.

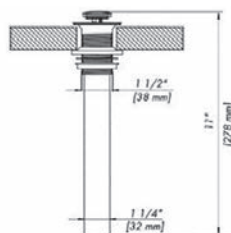

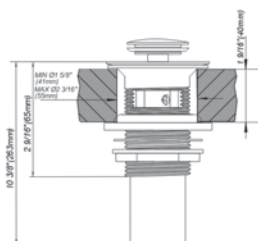

FV248.02

Included with all FV207 and FV181 models.

FV248.03

Sold separately if less overflow is needed.

Both models (FV248.02 and FV248.03) are available for individual purchase.

FV480/F4.0

Wall volume control

**FV480.BASE-19**

Sold separately.

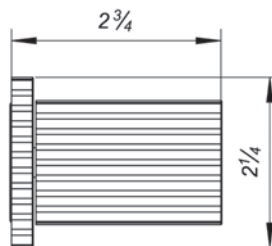

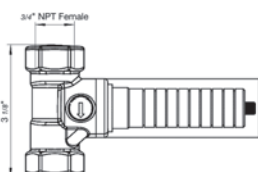

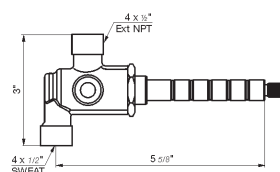

**FV680.BASE**Sold separately.
Non sharing.

- Wall volume control.
- All Brass Construction.
- All Brass valve bodies.
- Trim only.

REQUIRED (NOT INCLUDED - sold separately):

Either FV480.BASE-19 or FV680.BASE.

- FV480.BASE-19 - Wall volume control, 3/4" rough valve
- FV680.BASE - Wall diverter valve

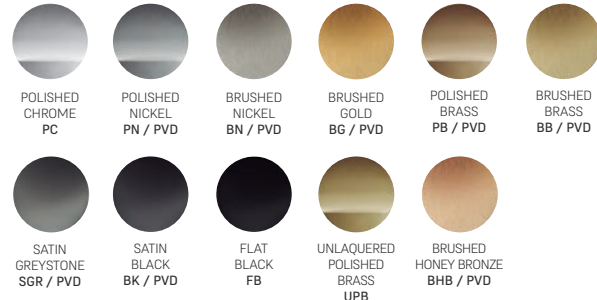

**FV480.BASE-19****FV680.BASE****HOW TO COMPOSE YOUR CODE**

Start with the base code FV480/F4.0 for the Groovy collection.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV480/F4.0-BN.

Refer to the table for all available finish options, codes, and details.

CROSS

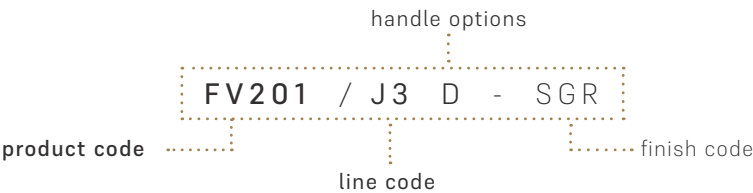

STEPS TO ORDER

To request products with different handle options, start with the base code FV201/J3D for the Edge Round Handle. Simply append the appropriate suffix for you chosen handle:

For Round, use "J3D". | For Cross, use "J3".

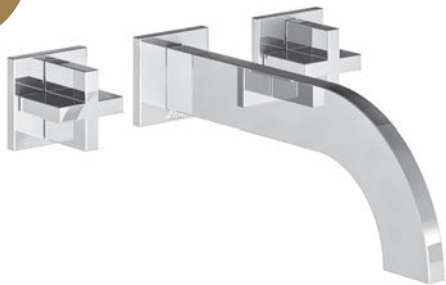

Example:

FV203/J3.0

Wall-mounted lavatory faucet.

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

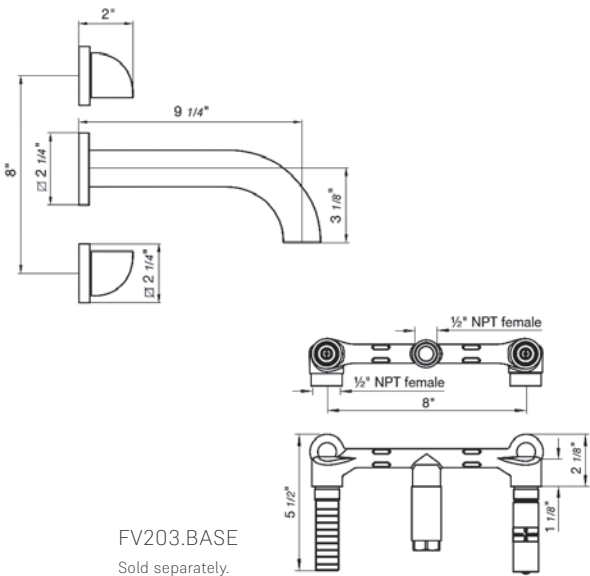

FV203.BASE
Sold separately.

- All Brass Construction
- Quarter-turn ceramic cartridges
- Recessed aerators
- All Brass Valve Bodies

REQUIRED (NOT INCLUDED - sold separately):

- FV203.BASE - Rough valve for wall lavatory. 1/2" Fem NPT connection.

FV203.BASE
Sold separately.

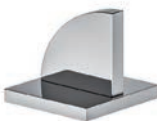

HOW TO COMPOSE YOUR CODE

Start with the base code FV203/J3.0 for the Edge cross handle.
Adjust the suffix to select your preferred handle: **J3D**: Round | **J3**: Cross.
Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section. For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV203/J3.0-BN.

HANDLE OPTIONS

CROSS | J3

ROUND | J3D

Refer to the table for all available finish options, codes, and details.

EXPLORE OUR DOMINO COLLECTION

SPECIAL
FEATURES

Balance, geometry and refined simplicity.

STEPS TO ORDER

To request products that are available in different finishes, simply utilize the corresponding coding of the piece and append a suffix corresponding to the chosen texture.

Example:

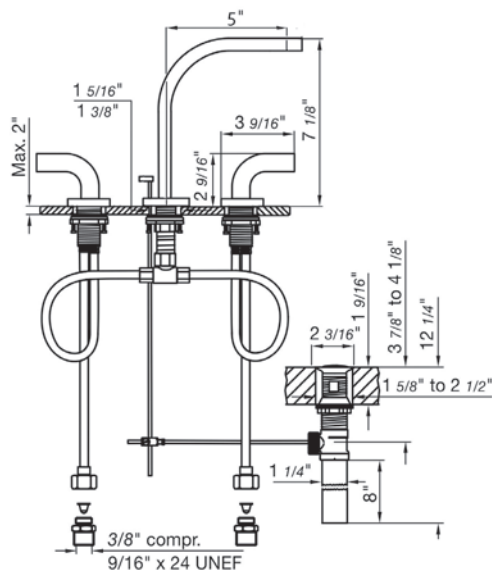

line code
FV201 / J4 - SGR
product code finish code

FV201/J4

Widespread Lavatory Faucet

- All Brass Construction
- Handles come preassembled on valves for ease of installation
- Flexible stainless steel supply line with sediment screens.
- Our filter screens prevent fouling of the cartridge
- Flow Rate: 1.2 gpm maximum
- Recessed aerators
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

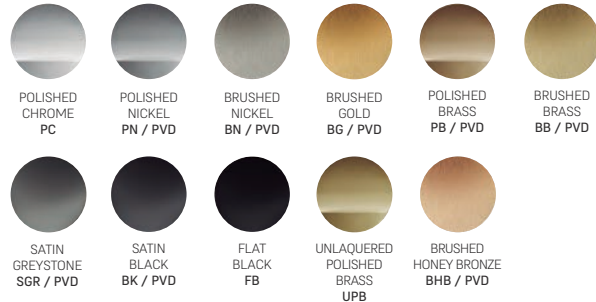

Start with the base code FV201/J4 for the Domino collection.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV201/J4-BN.

Refer to the table for all available finish options, codes, and details.

REQUIRED (NOT INCLUDED - sold separately):

- FV247.BASE: 1/2" thermostatic rough-in valve only, with integral three port non-sharing diverter and shut-off.

FV247.BASE
Sold separately.

HOW TO COMPOSE YOUR CODE

Start with the base code FV247.0 for the Domino collection.
Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.
For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV247.0-BN.

Refer to the table for all available finish options, codes, and details.

EXPLORE OUR HANDLE OPTIONS

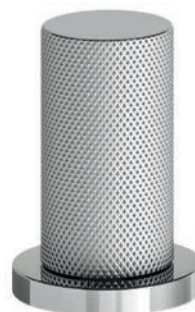

CROSS

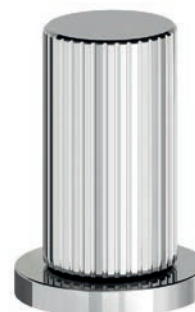

DIAMOND | D

LEVER | L

KNURLING | K

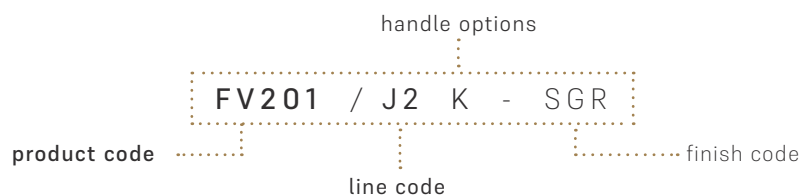

VERTICAL LINES | V

STEPS TO ORDER

To request products with different handle options, start with the base code FV201/J2 for the Lollipop Cross Handle. Simply append the appropriate suffix for your chosen handle or texture:

For Knurling, use "J2K". | For Vertical Lines, use "J2V". | For Diamond, use "J2D". |
For Lever, use "J2L". | For Cross, use "J2".

Example:

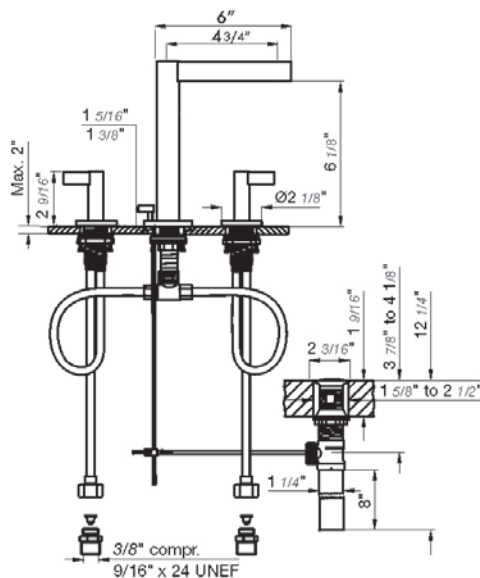

FV201/J2

Widespread Lavatory Faucet

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

- All Brass Construction
- Handles come preassembled on valves for ease of installation
- Flexible stainless steel supply line with sediment screens.
- Our filter screens prevent fouling of the cartridge
- Flow Rate: 1.2 gpm maximum
- Recessed aerators
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

Start with the base code FV201/J2 for the Lollipop cross handle.
Adjust the suffix to select your preferred handle:

J2: Cross | J2L: Lever

HANDLE OPTIONS

CROSS | J2

LEVER | J2L

Refer to the table for all available finish options, codes, and details.

FV227/J2.0

Thermostatic wall valve

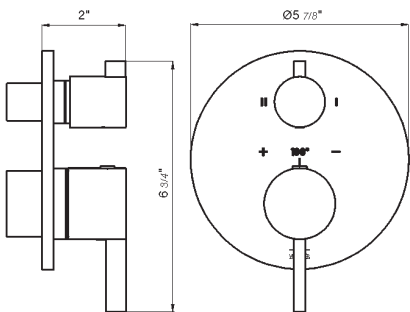

FV227.BASE
Sold separately.

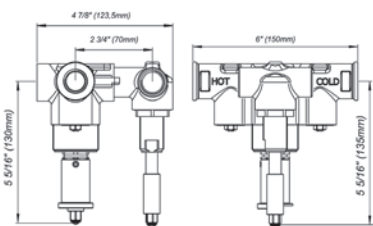

- Thermostatic wall valve.
- Trim only.
- All Brass Construction
- All Brass valve bodies

REQUIRED (NOT INCLUDED - sold separately):

- FV227.BASE 5 5/16" (135mm) 5/ 5/16" (130mm) 1/2" thermostatic rough-in valve only with integral two port non sharing diverter and shut-off 5.5 gpm (gallons per minute) flow rate (@60 psi).

FV227.BASE
Sold separately.

HOW TO COMPOSE YOUR CODE

Start with the base code FV227/J2.0 for the Lollipop collection.
Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.
For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV227/J2.0-BN.

Refer to the table for all available finish options, codes, and details.

FV215/59.0

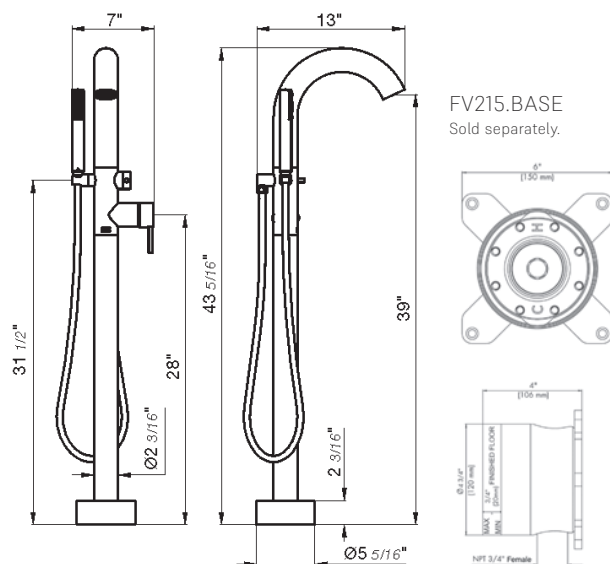

Freestanding tub faucet

- Freestanding tub faucet.
- Trim only.
- Maximum flow rate through spout 11,3 gpm at 60 PSI.
- Maximum flow rate through handshower 1,2 gpm.

REQUIRED (NOT INCLUDED - sold separately):

- FV215.BASE: Freestanding rough valve 3/4" NPT FEM.

HOW TO COMPOSE YOUR CODE

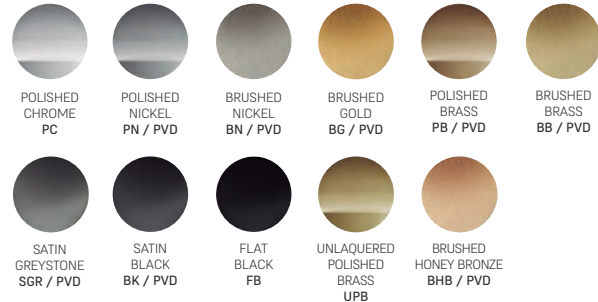

Start with the base code FV215/59.0 for the Nerea collection.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV215/59.0-BN.

Refer to the table for all available finish options, codes, and details.

- Freestanding tub faucet.
- Trim only.
- Maximum flow rate through spout 11,3 gpm at 60 PSI.
- Maximum flow rate through handshower 1,2 gpm.

REQUIRED (NOT INCLUDED - sold separately):

- FV215.BASE: Freestanding rough valve 3/4" NPT FEM.

HOW TO COMPOSE YOUR CODE

Start with the base code FV215/59D.0 for the Diamond handle.
Adjust the suffix to select your preferred handle:

59D.0: Diamond | **59K.0:** Knurling | **59V.0:** Vertical Lines

HANDLE OPTIONS

DIAMOND | **59D**

KNURLING | **59K**

VERTICAL
LINES | **59V**

Refer to the table for all available finish options, codes, and details.

THE **HITO** COLLECTION IS AVAILABLE IN 3 OPTIONS: **Metal**, **Boreal** and **Nuvolato Stone**

To order **Hito Metal**, use the designated code for the piece and add a suffix corresponding to the selected finish.

For Metal, employ "**J5**" and the selected finish.

For Boreal stone, employ "**J5B**" and the selected finish.

For Nuvolato Stone, employ "**J5N**" and the selected finish.

STEPS TO ORDER

To request products that are available in different finishes, simply utilize the corresponding coding of the piece and append a suffix corresponding to the chosen texture.

Example:

stone code
FV181 / J5 B - SGR
product code line code finish code

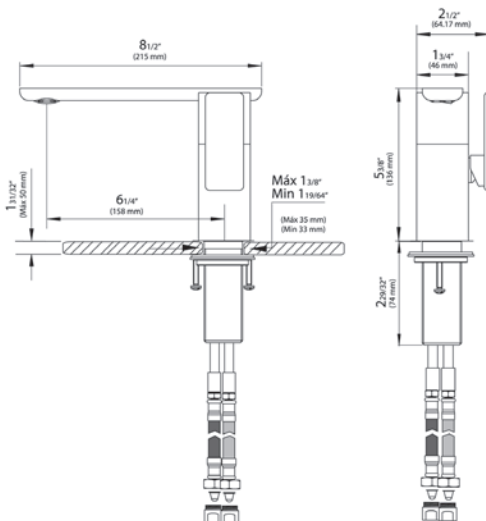

FV181/J5

Single handle lavatory faucet

YOU CAN
CHOOSE
YOUR STONE
OPTION

- Single handle faucet supplied with overflow (Drain model: FV248.02)
- Drain model FV248.03 is available for reduced overflow.
- Flow Rate: 1.20 gpm @ 60PSI
- Stationary spout with recessed aerator device.
- Flexible SS connectors with sediment screens.
- All Brass Valve Bodies

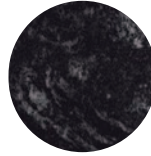

HOW TO COMPOSE YOUR CODE

Start with the base code FV181/J5 for the Hito collection.
Adjust the suffix to select your preferred stone and finish:

J5: Metal | **J5B:** Boreal | **J5N:** NuvolatoStone

STONE OPTIONS

BOREAL | J5B

NUVOLATO
STONE | J5N

Refer to the table for all available finish options, codes, and details.

MODELS WITH OVERFLOW

FV201 and FV182 come with overflow included.
Supplied with lift rod drain pop-up assemblies.

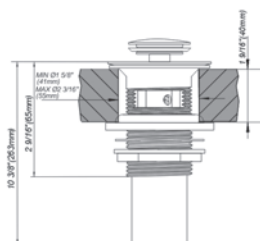

OPTION TO CHANGE TO LESS OVERFLOW IF REQUIRED

FV207 and FV181 come with overflow included (model FV248.02). If less overflow is required, you may request FV248.03.

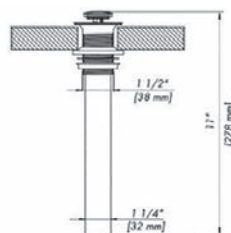

FV248.02

Included with all FV207 and FV181 models.

FV248.03

Sold separately if less overflow is needed.

Both models (FV248.02 and FV248.03) are available for individual purchase.

FV217/J5.0

Thermostatic wall valve

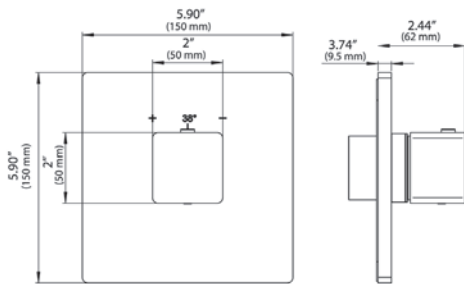

FV217.BASE
Sold separately.

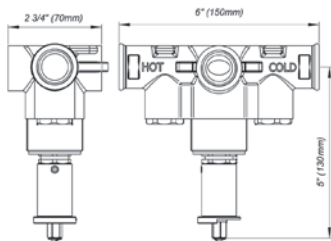

- Thermostatic wall valve.
- Trim only.
- All Brass Construction
- All Brass valve bodies

REQUIRED (NOT INCLUDED - sold separately):

- FV217.BASE - 3/4" thermostatic rough-in valve only
17.5 gpm flow rate @45 psi.

FV217.BASE
Sold separately.

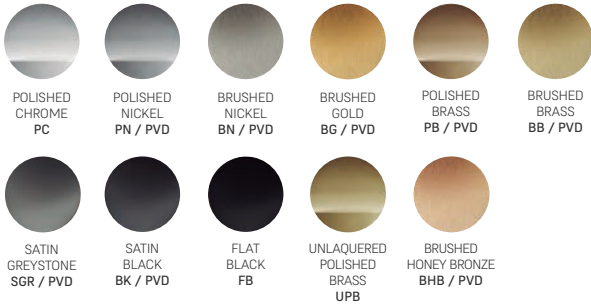

HOW TO COMPOSE YOUR CODE

Start with the base code FV217/J5.0 for the Hito collection.
Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.
For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV217/J5.0-BN.

Refer to the table for all available finish options, codes, and details.

EXPLORE OUR HANDLE OPTIONS

ROUND | K6

LEVER | K7

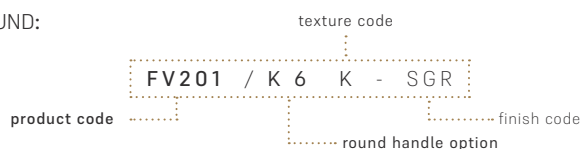

STEPS TO ORDER

To request products that are available in different textures, simply utilize the corresponding coding of the piece and append a suffix corresponding to the chosen texture.

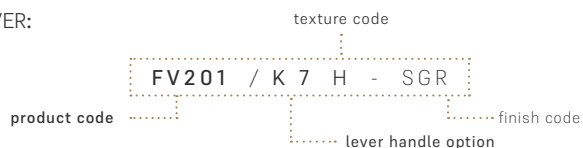

For Knurling, use "K". | For Vertical Lines in round handle, use "V". | For Vertical Lines in lever handle, use "H". |

For Round, use "K6". | For Lever, use "K7". |

Example for ROUND:

Example for LEVER:

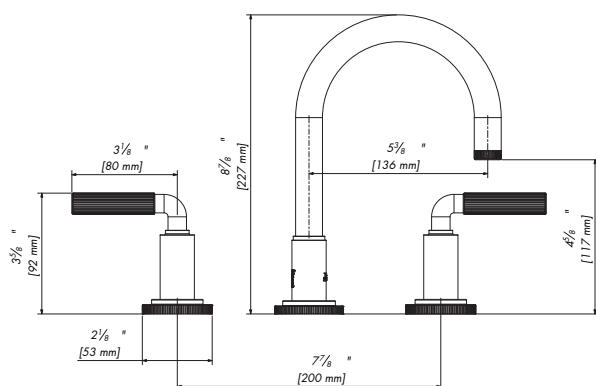

FV207/K7H

Widespread Lavatory Faucet

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

- Widespread lavatory faucet supplied with overflow (Drain model: FV248.02).
- Drain model FV248.03 is available for reduced overflow.
- All Brass Construction
- Handles come preassembled on valves for ease of installation
- Flexible stainless steel supply line with sediment screens.
- Our filter screens prevent fouling of the cartridge
- Flow Rate: 1.2 gpm maximum
- Recessed aerators
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

Start with the base code FV207/K7 for the Techno Chic collection.
Adjust the suffix to select your preferred handle:

K7H: Lever Vertical Lines | **K7K:** Lever Knurling

HANDLE OPTIONS

LEVER | K7H

LEVER | K7K

Refer to the table for all available finish options, codes, and details.

Customize your faucet by selecting **different finishes for the handle top and body**. The handle top is available in Red (R), Brushed Brass (BB) and Satin Black (BK), while the handle body can be chosen from all finishes displayed on the left side of this page.

For a **uniform look**, you can match both finishes, selecting from the same options.

STEPS TO ORDER

To order Industrial Chic faucet with handles in a uniform finish, simply use the base code followed by the suffix of your chosen finish. Example: If you want both the handle top and body in Polished Chrome (PC) for seamless look, your final code would be: FV201/J1-PC.

To order Industrial Chic with handles of a different finish simply use the above coding followed by a suffix of the handle color. Example of Polished Chrome with red handles is: FV201/J1-PCR.

For Red, use "R". | For Brushed Brass, use "BB". | For Satin Black, use "BK".

Example:

product code finish BODY code line code handle TOP finish code

FV201 / J1 PC R

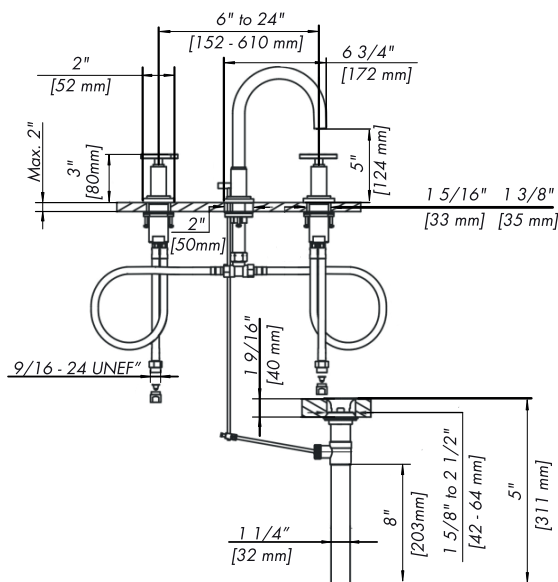

FV201/J1

Widespread Lavatory Faucet

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

- All Brass Construction
- Handles come preassembled on valves for ease of installation
- Flexible stainless steel supply line with sediment screens.
- Our filter screens prevent fouling of the cartridge
- Flow Rate: 1.2 gpm maximum
- Recessed aerators
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

How to customize your Industrial Chic faucet code:

Start with the base code: FV201/J1

Choose your handle body finish: Select from available finishes from the Industrial Chic Collection (found in the Finish Section on this page).

Choose your handle top finish:

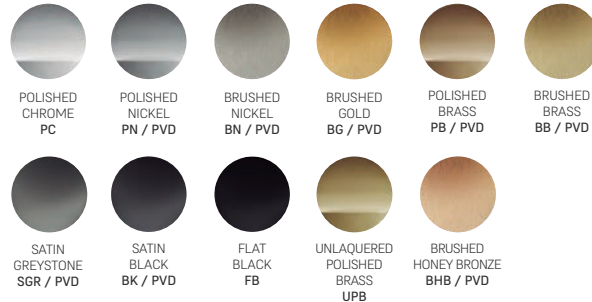

- Red (R)
- Brushed Brass (BB)
- Satin Black (BK)

For your final product code:

Example: If you choose Brushed Nickel (BN) for the handle body and Red (R) for the handle top, your final code will be: FV201/J1-BNR

Refer to the table for all available finish options, codes, and details.

- Stationary spout with recessed aerator device
- Quarter-turn progressive cartridge

REQUIRED (NOT INCLUDED - sold separately):

- FV209.BASE - Rough valve for wall lavatory.

FV209.BASE
Sold separately.

HOW TO COMPOSE YOUR CODE

How to customize your Industrial Chic faucet code:

Start with the base code: FV209/J1.0

Choose your handle body finish: Select from available finishes from the Industrial Chic Collection (found in the Finish Section on this page).

Choose your handle top finish:

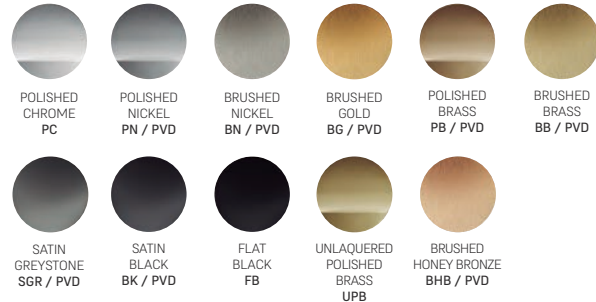

- Red (R)
- Brushed Brass (BB)
- Satin Black (BK)

For your final product code:

Example: If you choose Brushed Nickel (BN) for the handle body and Red (R) for the handle top, your final code will be: FV209/J1.0-BNR

Refer to the table for all available finish options, codes, and details.

EXPLORE OUR HANDLE OPTIONS

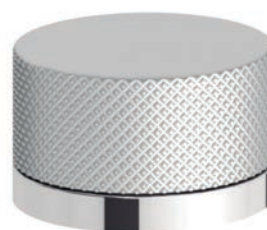

CROSS

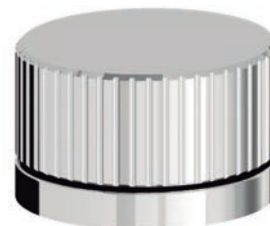

LEVER | L

DIAMOND | D

KNURLING | K

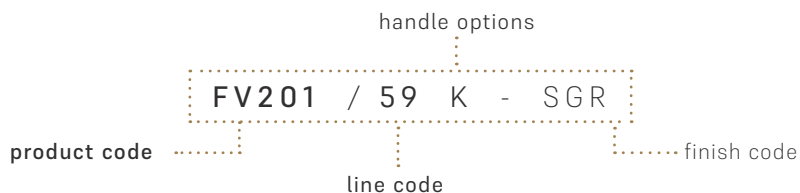

VERTICAL LINES | V

STEPS TO ORDER

To order any of our handle options, begin with product code FV201/ and add the below suffix for the desired handle type:

For Cross, use "59". | For Lever, use "59L". | For Diamond, use "59D". | For Knurling, use "59K". | For Vertical Lines, use "59V".

Example:

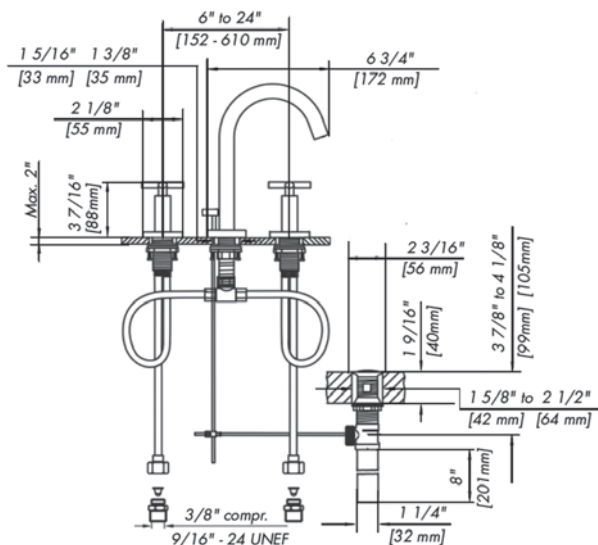

FV201/59

Widespread Lavatory Faucet

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

- Widespread lavatory faucet with pop-up drain assembly.
- All Brass Construction
- Our filter screens prevent sediment build-up, protecting the faucet's performance and finish.
- Flow Rate: 1.2 gpm maximum
- Swivel Aerator
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

Start with the base code FV201/59 for the Nerea cross handle.
Adjust the suffix to select your preferred handle: **59**: Cross | **59L**: Lever.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section. For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV201/59-BN.

HANDLE OPTIONS

CROSS | 59

LEVER | 59L

Refer to the table for all available finish options, codes, and details.

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

- Single handle lavatory faucet with lift-rod drain assembly.
- All Brass Construction
- Our filter screens prevent sediment build-up, protecting the faucet's performance and finish.
- Max flow rate 1,2 GPM (4,5 l/min).
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

Start with the base code FV182/59D for the Nerea Diamond handle.

Adjust the suffix to select your preferred handle:

59D: Diamond | **59K:** Knurling | **59V:** Vertical Lines.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section. For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV182/59D-BN.

HANDLE OPTIONS

DIAMOND | 59D

KNURLING | 59K

VERTICAL
LINES | 59V

Refer to the table for all available finish options, codes, and details.

- All Brass valve bodies

REQUIRED (NOT INCLUDED - sold separately):

- FV227.BASE - 5 5/16" (135mm) 5/ 5/16" (130mm)
- 1/2" thermostatic rough-in valve only with integral two port non sharing diverter and shut-off 5.5 gpm flow rate @60 psi.

FV227.BASE
Sold separately.

HOW TO COMPOSE YOUR CODE

Start with the base code FV227D.0 for the Diamond handle.

Adjust the suffix to select your preferred handle:

D: Diamond | **K:** Knurling | **V:** Vertical Lines.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section. For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV227D.0-BN.

EXPLORE OUR HANDLE OPTIONS

CROSS

LEVER | L

STEPS TO ORDER

To request products with different handle options, start with the base code FV201/K4 for the Konic Cross Handle. Simply append the appropriate suffix for you chosen handle:

For Lever, use "K4L". | For Cross, use "K4".

Example:

product code handle options finish code

FV201 / K4 L - SGR

line code

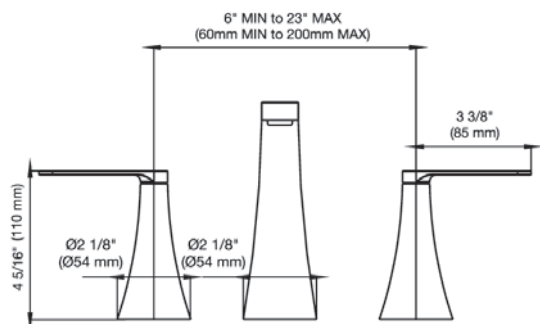

FV207/K4

Widespread Lavatory Faucet

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

- Widespread lavatory faucet supplied with overflow (Drain model: FV248.02).
- Drain model FV248.03 is available for reduced overflow.
- All Brass Construction
- Handles come preassembled on valves for ease of installation
- Flexible stainless steel supply line with sediment screens.
- Our filter screens prevent fouling of the cartridge
- Flow Rate: 1.2 gpm maximum
- Recessed aerators
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

Start with the base code FV207/K4 for the Konic cross handle.

Adjust the suffix to select your preferred handle: **K4L**: Lever | **K4**: Cross.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section. For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV207/K4-BN.

Notes: * Refer to pages 8 & 10 for more information.

FV203/K4.0

Wall-mounted lavatory faucet.

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

FV203.BASE
Sold separately.

- All Brass Construction
- Quarter-turn ceramic cartridges
- Recessed aerators
- All Brass Valve Bodies

REQUIRED (NOT INCLUDED - sold separately):

- FV203.BASE - Rough valve for wall lavatory. 1/2" Fem NPT connection.

HOW TO COMPOSE YOUR CODE

Start with the base code FV203/K4.0 for the Konic cross handle. Adjust the suffix to select your preferred handle: **K4L**: Lever | **K4**: Cross. Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section. For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV203/K4.0-BN.

HANDLE OPTIONS

CROSS | K4

LEVER | K4L

Refer to the table for all available finish options, codes, and details.

HOW TO ORDER DIFFERENT FINISHES FOR HANDLE CLASSIC H

To order **Classic H** handles, use the designated code for the piece and add a suffix corresponding to the selected finish.

For Classic H, please utilize **"H"** in conjunction with **"K3"**. | For Classic, employ **"K3"** independently.

Prices remain consistent with the respective piece finishes.

Example for lavatory and handle with the same finish:

texture code
FV201 / K3 H - SGR
product code line code finish code

Example for lavatory and handle with different finishes:

texture code finish code for vertical line
FV201 / K3 H - SGR RG
product code line code finish code for base color

HOW TO ORDER DIFFERENT FINISHES FOR HANDLE CLASSIC G

To order **Classic G** Collection, use the designated code for the Price and add a suffix corresponding to the selected finish.

For Classic H, please utilize **"HG"** in conjunction with **"K3"**. | For Classic, employ **"K3G"** independently.

Prices remain consistent with the respective piece finishes.

Example for lavatory and handle with the same finish:

texture code
FV201 / K3 HG - SGR
product code line code finish code

Example for lavatory and handle with different finishes:

texture code finish code for secondary finish, handle color
FV201 / K3 G - SGR RG
product code line code finish code for base color

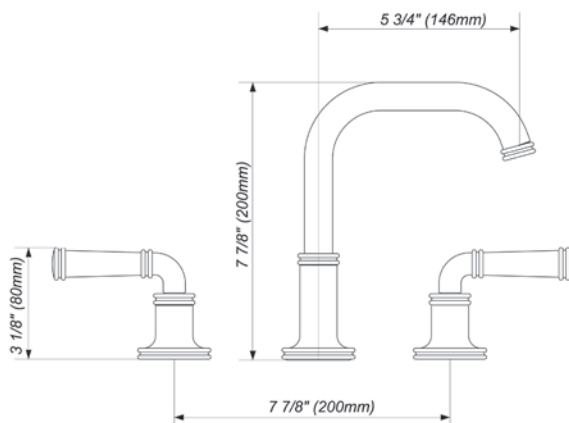

FV207/K3

Widespread Lavatory Faucet

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

- Widespread lavatory faucet supplied with overflow (Drain model: FV248.02).
- Drain model FV248.03 is available for reduced overflow.
- All Brass Construction
- Handles come preassembled on valves for ease of installation
- Flexible stainless steel supply line with sediment screens.
- Our filter screens prevent fouling of the cartridge
- Flow Rate: 1.2 gpm maximum
- Recessed aerators
- All Brass Valve Bodies

HOW TO COMPOSE YOUR CODE

Start with the base code FV207/K3 for the Classic handle.

Adjust the suffix to select your preferred handle: **K3**: Classic | **K3H**: Classic H.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section. For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV207/K3-BN.

FV203/K3.0

Wall-mounted lavatory faucet.

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

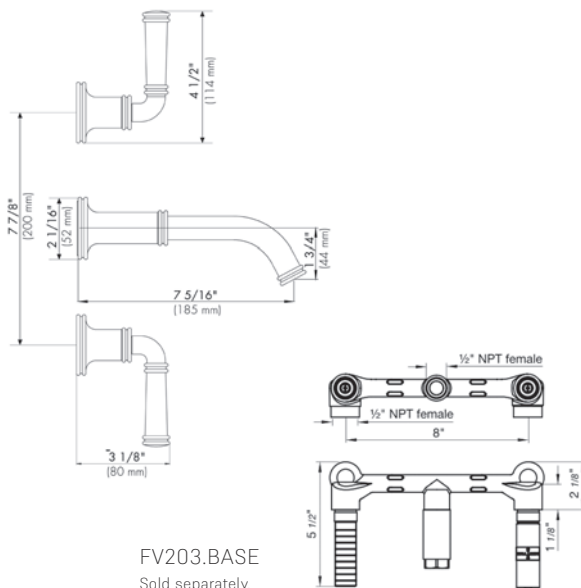

FV203.BASE
Sold separately.

- Wall-mounted lavatory faucet, less drain assembly, trim only
- All Brass Construction
- Quarter-turn ceramic cartridges
- Stationary spout with recessed aerator

REQUIRED (NOT INCLUDED - sold separately):

- FV203.BASE - Rough valve for wall lavatory. 1/2" Fem NPT connection.

FV203.BASE
Sold separately.

HOW TO COMPOSE YOUR CODE

Start with the base code FV203/K3.0 for the Classic handle.

Adjust the suffix to select your preferred handle: **K3**: Classic | **K3H**: Classic H.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section. For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV203/K3.0-BN.

REQUIRED (NOT INCLUDED - sold separately):

- FV225.BASE - freestanding rough valve 3/4" NPT FEM.

HOW TO COMPOSE YOUR CODE

Start with the base code FV225A/K3.0 for the Classic handle. Adjust the suffix to select your preferred handle: **K3**: Classic | **K3H**: Classic H. Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section. For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV225A/K3.0-BN.

HOW TO ORDER DIFFERENT FINISHES

To request products that are available in different finishes, simply utilize the corresponding coding of the piece and append a suffix corresponding to the chosen texture.

Example:

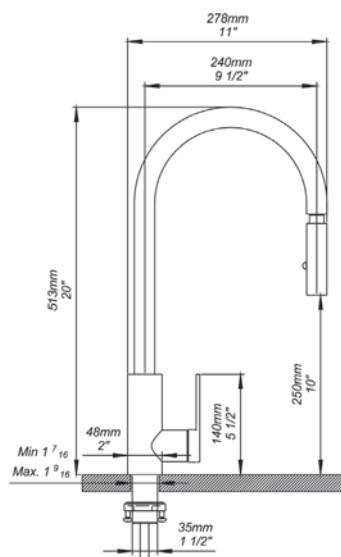

FV412 / K5 - SGR
 product code line code finish code

FV412/K5

Single handle deck mount kitchen mixer with pulldown sprayer.

- Flow Rate: Maximum flow rate through spray & aerator 1.6 gpm.
- All brass construction
- Flexible stainless steel connectors with sediment screens.

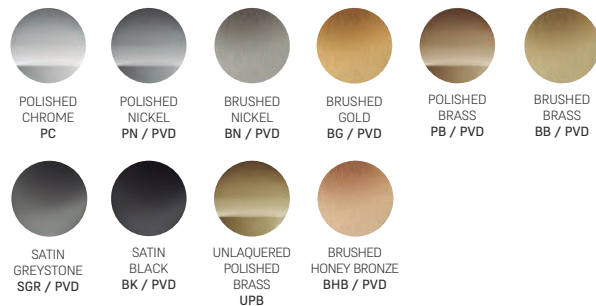

**HOW TO COMPOSE YOUR CODE**

Start with the base code FV412/K5 for the Moderno K5 collection.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV412/K5-BN.

Refer to the table for all available finish options, codes, and details.

FV412.01/K5

Single handle deck mount bar prep faucet

- Flow Rate: Maximum flow rate through spray & aerator 1.6 gpm
- All brass construction.
- Flexible stainless steel connectors with sediment screens.

HOW TO COMPOSE YOUR CODE

Start with the base code FV412.01/K5 for the Moderno K5 collection. Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV412.01/K5-BN.

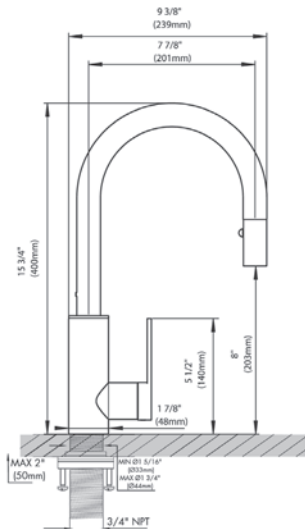

Refer to the table for all available finish options, codes, and details.

SPECIAL
FEATURES

ALL THE FINISHES SHOWN IN THE LEFT SIDE OF THIS PAGE ARE AVAILABLE FOR THE SHOWERING SELECTION.

HOW TO ORDER DIFFERENT FINISHES

To request products that are available in different finishes, simply utilize the corresponding coding of the piece and append a suffix corresponding to the chosen texture.

Example with collection:

product code line code finish code

FV210 / K5 - SGR

Example without collection:

product code code finish code

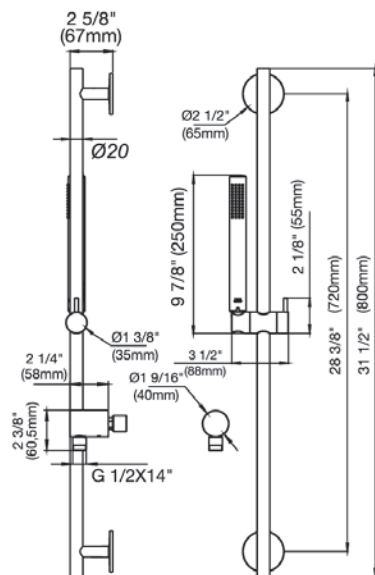

FV126 . 09 - SGR

FV128.01

Square slidebar handshower & hose with supply outlet

- Square slidebar handshower & hose with supply outlet
- All Brass Construction
- Includes 60" hose
- 1/2" NPT fem connection at supply outlet

HOW TO COMPOSE YOUR CODE

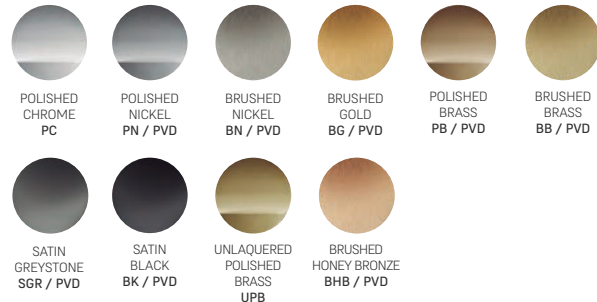

Start with the base code FV128/01 for the Square slidebar.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV128/01-BN.

Refer to the table for all available finish options, codes, and details.

FV133/59.0

Deck mounted roman tub handshower assembly

YOU CAN
CHOOSE
YOUR HANDLE
OPTION

- Deck mounted Roman diverter valve and handshower assembly.
- All Brass Construction.
- Includes Brass diverter valve.
- 3/4" inlet NPT connection.
- Quarter-turn diverter.

HOW TO COMPOSE YOUR CODE

Start with the base code FV133/59.0 for the Nerea cross handle.

Then, add the suffix for your desired finish, which you'll find on this page in the Finish Section.

For example, if you choose the Brushed Nickel (BN) finish, your final code would be: FV133/59.0-BN.

HANDLE OPTIONS

CROSS | 59

LEVER | 59L
