A cross-section diagram of the drain assembly. The drain cap is shown with a label that reads 'MAX MIN' on the left, '3/4" (20mm)' in the center with a double-headed arrow, and 'FINISHED FLOOR' on the right. A dashed line indicates the level of the finished floor. An arrow points to this line with the text 'Finished floor/Piso Terminado'. Below the drain assembly, a channellock plier is shown in a circular icon.

## PRODUCT WARRANTY

Franz Viegener's Limited Lifetime Warranty insures that their products are free from defects in material and workmanship. This warranty is provided only to the original consumer/purchaser for the duration of home ownership.

Excluded from this warranty are parts made of wood or other non-metallic material, and all drain assembly finishes. Oil rubbed bronze, matte white and matte black have 2 years limited warranty from the date of purchase.

Any damage due to improper installation, abuse, misuse or accident will void this warranty.

Cleaning faucets with abrasive or chemical cleaners will void the finish warranty.

Warranty will be honored to original consumer/purchaser with proof of purchase/dated receipt.

If a defect is found under normal residential installation, we will, at our discretion either repair, provide a replacement part, replace the entire product, or make the appropriate adjustment.

Franz Viegener is not responsible for labor charges, installation, or other consequential costs. In no event shall the responsibility of Franz Viegener exceed the purchase price of the product.

Non-Residential Warranty - Limited to 3 years for material and workmanship, 1 year warranty on oil rubbed bronze, matte black and matte white finishes. With proper care, your Franz Viegener product will keep its attractive appearance for many years. To assure the product continues to look its best, we recommend using the following care and cleaning procedures.

All finishes should be cleaned regularly with a clean, soft, damp cloth to remove water spots. This will keep mineral deposits from building up on the surface. Do not use abrasive cleaners, scouring pads, or cleaners containing ammonia or bleach.

CHROME FINISH - never use products containing chloride acid.

PVD FINISHES - never use Scotch Brand type scouring pads, nor products containing chloride acid.

POWDER COAT FINISHES - never use abrasives, alcohol, ether or ammonia products.

IMPLIED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE, ARE EXPRESSLY LIMITED IN DURATION TO THE DURATION OF WARRANTY. FRANZ VIEGENER AND/OR RESELLER DISCLAIMS ANY RESPONSIBILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.
