This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Aerator cleaning

Place the corresponding tool according to the type of aerator you have and remove it. Wash it under a stream of water. If there is any sediment, place it in a glass of vinegar during the night. Put it back the next day.

Attention! Do not use sharp objects to unblock the aerator
