## Installation instructions

A Alter weach

1\_Using the support (in the position the figure shows), mark the place where you will drill the first hole to mount the accessory.

2\_Make the necessary hole for No 6 plastic anchor.

3\_Affix the support to the wall using the screws and the plastic anchors provided. Repeat the procedure (1 and 2) to complete the fixation of the support.

4\_Place the accessory (B) over the support (A), keeping all pressed to the wall. Tighten the set-screw (C) with the Allen wrench provided.

### Accessories with two supports

#### Assembling

For accessories such as towel bars, please bear in mind the following:

a\_Mark the distance between both supports before you start. Make sure the holes are at the same height.

b\_Follow previous instructions (1, 2 and 3) for affixing the supports.

c\_Put the complete set together, and tighten the supports (see picture).
